General Information

Thrissur Management Association (TMA), ever since its inception in 1990, has been actively striving to recognise and develop management talent among executives, entrepreneurs, professionals, managers, and students in and around Thrissur, Kerala. It is affiliated to the All-India Management Association (AIMA). TMA has won several accolades over the years including the Best LMA (Cat III) Award from AIMA in the preceding two years, 2021 and 2022.

This year, TMA is joining hands with ESAF Bank to conduct a business quiz for college students. This is a pan-India contest, and the first elimination round will be held online. Those who qualify in this can participate in the Grand Finale scheduled to be held in two physical rounds in Thrissur.

Quiz Master

Mr. Ranjan Sreedharan, a well-recognised quiz master who had been the National Runner-up in the "Quiz Time" hosted by Mr. Siddhartha Basu in 1988 for Doordarshan, will be the quiz master for this year.

Registration Fee

The registration fee per team is ₹ 300/- including GST. This should be paid at the time of registration.

Rules

Only college students currently pursuing an undergraduate degree course or higher in India are eligible to participate in the contest. Letter from college will have to be produced by those who qualify for final round.

Each team should comprise 2 participants. Both participants in a team should be from the same college or institute but need not necessarily be from the same batch or class.

Only 2 teams are allowed to participate per college or institute in the grand finale. If more than 2 teams register from a college or institute, a maximum of 2 teams will be selected after the first elimination round.

The elimination round will be held online at the scheduled time as intimated to the participants. The online quiz must be attempted by only one of the participants from a team. This must be done without assistance from the other participant or any other sources.

From the registered teams, after the online elimination round, 15 teams will be shortlisted for the Grand Finale which would be held offline at a suitable venue in Thrissur. The Grand Finale will be held in two rounds, with only the selected 6 teams competing in the ultimate round.

Teams selected after the elimination round will need to produce a consent letter from the Head of the Institution/college they represent before appearing in the finals.
